National News—1965

1 *A Wave for Friends*—Cuban refugees waved to Cuban exiles on shore as their coast guard cutter approached Key West last fall. Such emotional scenes occurred frequently after Castro announced his "open door" policy, allowing certain groups of Cubans to leave his dictatorship.

2 *Pioneer in Space*—Astronaut Edward White stepped from his Gemini IV space capsule and into the void of space last June. Maj. James McDivitt, his companion on a 3½-day orbital flight, had to coax White back into the capsule after he had traveled 20 minutes suspended from Gemini IV. Gordon Cooper and Charles Conrad were the next space twins to orbit the earth. They completed their 8-day flight in Gemini V during August.

3 *Medicare Bill Signed*—President Johnson signed the Medicare Bill into law July 30 with former President Truman at his side. Witnessing the event that had far-reaching effects on Social Security benefits for the elderly were (left to right) Lady Bird Johnson, Vice President Humphrey and Bess Truman. The ceremony was held in Truman Library in Independence, Mo.

4 *Temporary Mood*—Dodgers Manager Walter Alston's mood of dejection after the Minnesota Twins won the sixth World Series game did not last long. The Dodgers emerged victorious in the 7th game and captured the pennant.

5 *Double Space Spectacular*—Astronauts Wally Schirra and Tom Stafford got this view of the Gemini 7 spaceship December 15 while traveling in their Gemini 6 craft for their historic rendezvous adventure. Schirra and Stafford rode their red-hot craft back to earth the following day, but Gemini 7 completed a 14-day mission before its re-entry. Making the longest and most significant voyage in space in Gemini 7 were Frank Borman and James Lovell, Jr.

6 *Plea for Peace*—Pope Paul VI stood before the United Nations General Assembly in New York on October 4 to deliver his plea for

world peace. His unprecedented, one-day visit in the U.S. was the culmination of plans by men of all faiths.

7 After Surgery—President Johnson was photographed in a reclining chair at Bethesda Naval Hospital the day after his gall bladder operation on October 8. He conducted the work of his office from his hospital room and his Texas ranch during his recuperation.

8 Proud Student—Charles Craig, 19-year-old freshman at Iowa university, demonstrated his criticism of draft-card burning incidents by displaying his draft card on his jacket with the note: "I'm a draft card carrying American and proud of it." Our role in the Vietnamese war sparked the incidents.

9 Blackout—The glittering metropolis of New York City was thrust into darkness on November 9 by a massive power failure affecting hundreds of miles along the eastern seaboard. City residents and commuters were stranded in offices, railroad and subway stations for hours before service was restored. The crippling condition was caused by a faulty relay at a Canadian generating station near Niagara Falls.

10 New Ambassador—Arthur Goldberg was named U.S. Ambassador to the United Nations by the President after the death of Ambassador Adlai Stevenson on July 14 in London. Goldberg was secretary of labor under President Kennedy and a U.S. Supreme Court Justice when named to the U.N. post.

11 Startling Fashions—Bold and contrasting blocks of color were the youthful fashion note of 1965. The eye-catching designs even extended the length of campus stockings worn with the costumes.

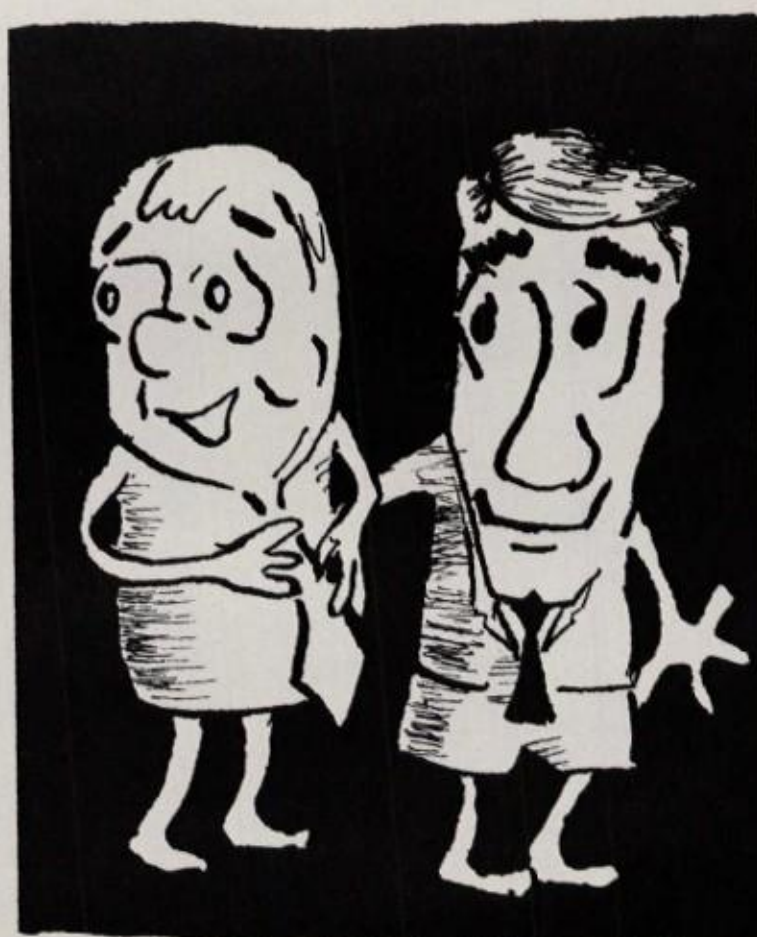

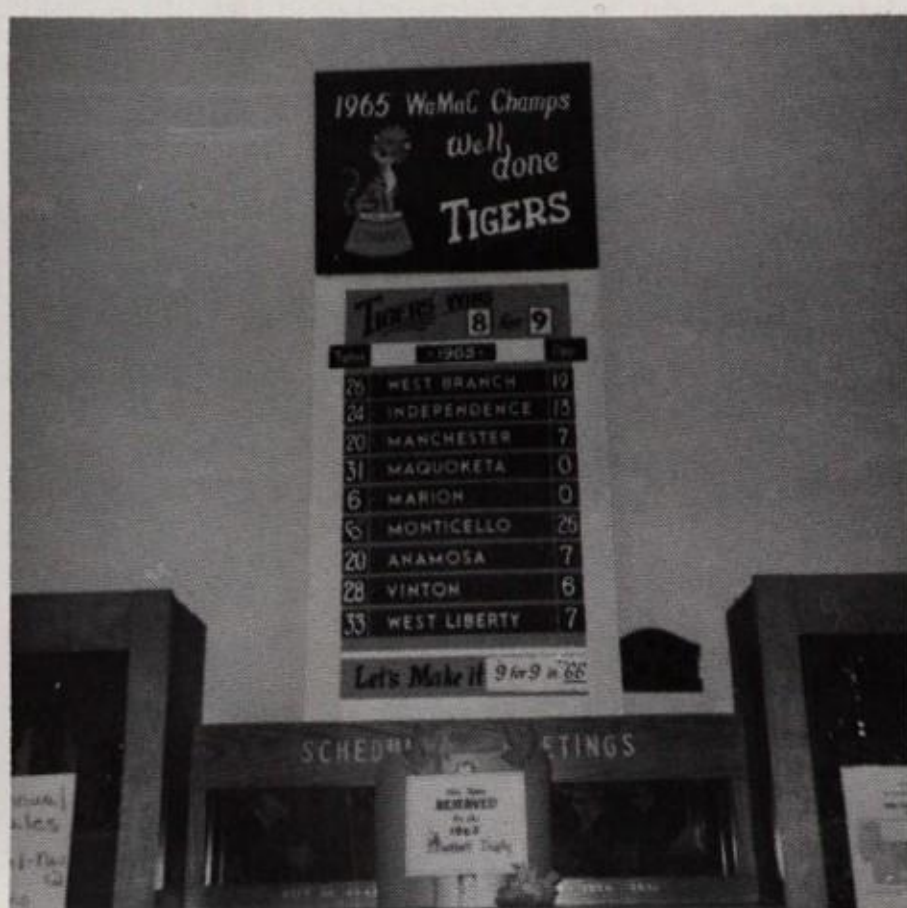

12 Royalty on Tour—Princess Margaret and her husband, Lord Snowdon, arrived in New York on November 4 for a whirlwind tour of the U.S. During their visit, they took time out for fun-filled activities such as a ride on a cable car in Frisco and gala parties in Hollywood and the nation's capital.

DEDICATION

Cliff Krutsinger, a familiar man around THS, deserves a special page in this year's TIGER. Cliff has driven a regular bus route for several years. In addition to his regular duties, he often drives busses for extracurricular affairs. He comes running with a smile whether he is needed to drive a team bus, a band bus to contest, or the hot lunch ladies to a convention in Des Moines. Frequently these trips last all day. His favorite trips came this fall when he drove the football team to the WaMaC championship.

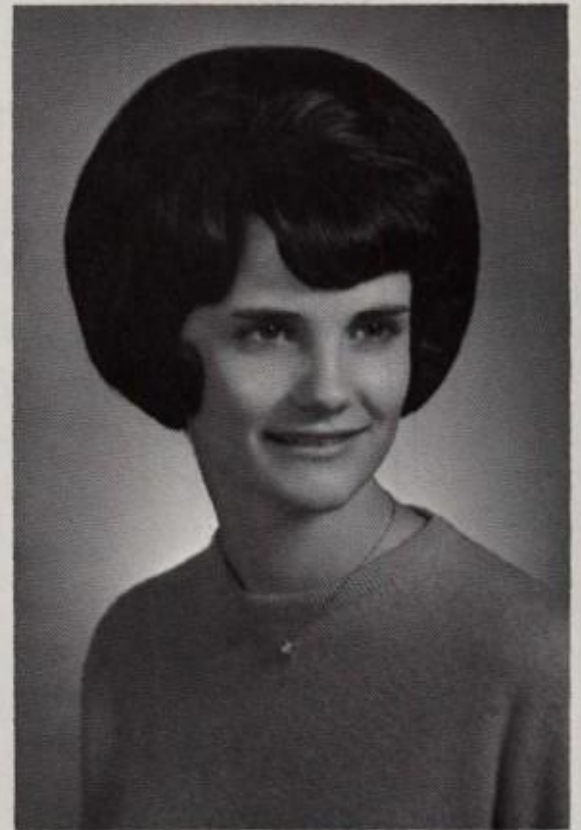

To our friendly and cheerful bus driver, Cliff Krutsinger, we dedicate the 1966 TIGER.

WHAT IS GRADUATION?

Graduation

Is sighs and laughter
Mingled liberally
With tears,
Lingering memories
Of one's sharing
Life with classmates
Through the years.

Graduation

Is conclusion
Of one big phase
Of work and fun,
A milestone passed,
New things begun.

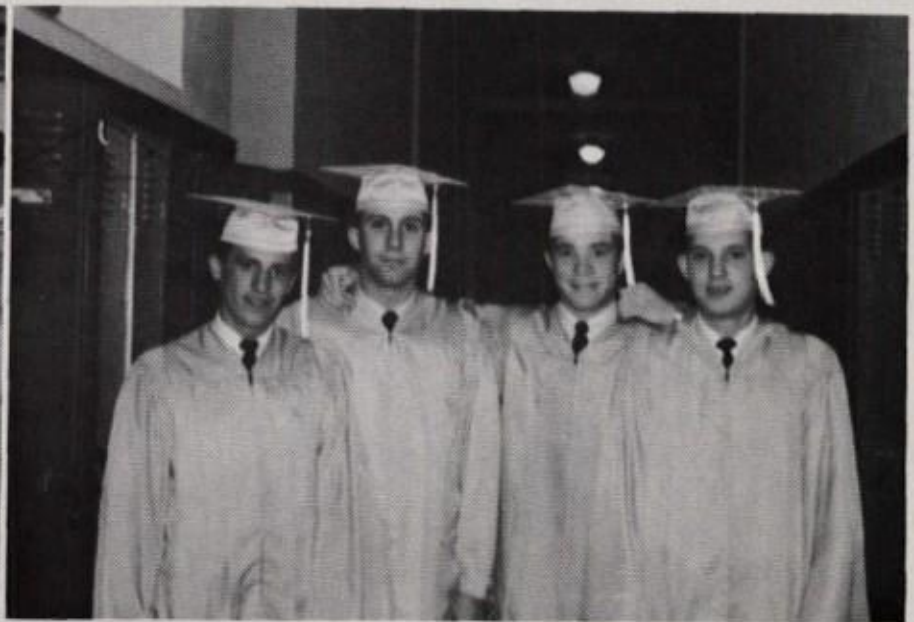

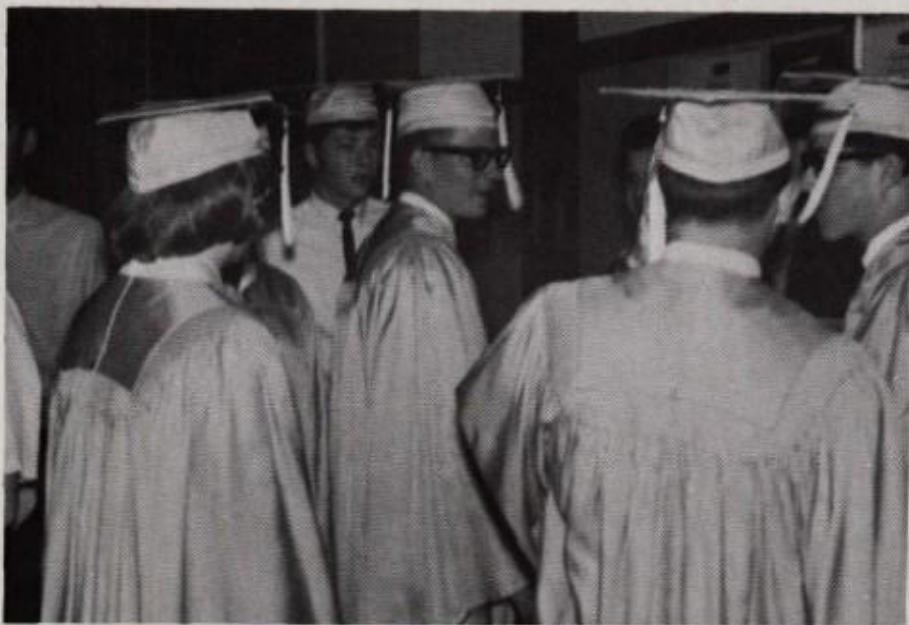

Graduation

Is excitement,
Speeches,
Farewells
And applause,
Diplomas
And a mortar board . . .
The gate
To pathways
Unexplored.

Graduation

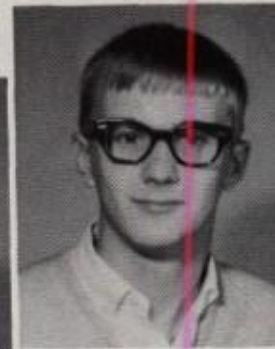

Is an end,
But also
A beginning . . .
The start
Of all dreams
That every graduate
Is spinning. *

Football
'65-'66

The Tipton football team capped off a fine season by bringing the WaMaC Championship home, the first time since 1952. Twenty-one modern school records were tied or broken by the team. A strong running attack combined with a rugged defense led to a very fine 8-1 record for the season. The Tigers led the WaMaC Conference in both offensive and defensive departments. Dave Lovell, Chuck Jennings, and Dave Dickerson finished 1-2-3 in scoring in the WaMaC. Team records for one season that were broken are: 194 total points scored, 11 pass interceptions, single game score--33 points, opponents limited to 85 points for season.

GRA TEAM CAPTAINS

J. Petersen, J. Heick, M. Heald, C. Sissel, H. Gough, J. Rice, P. J. Conway, P. Chambliss

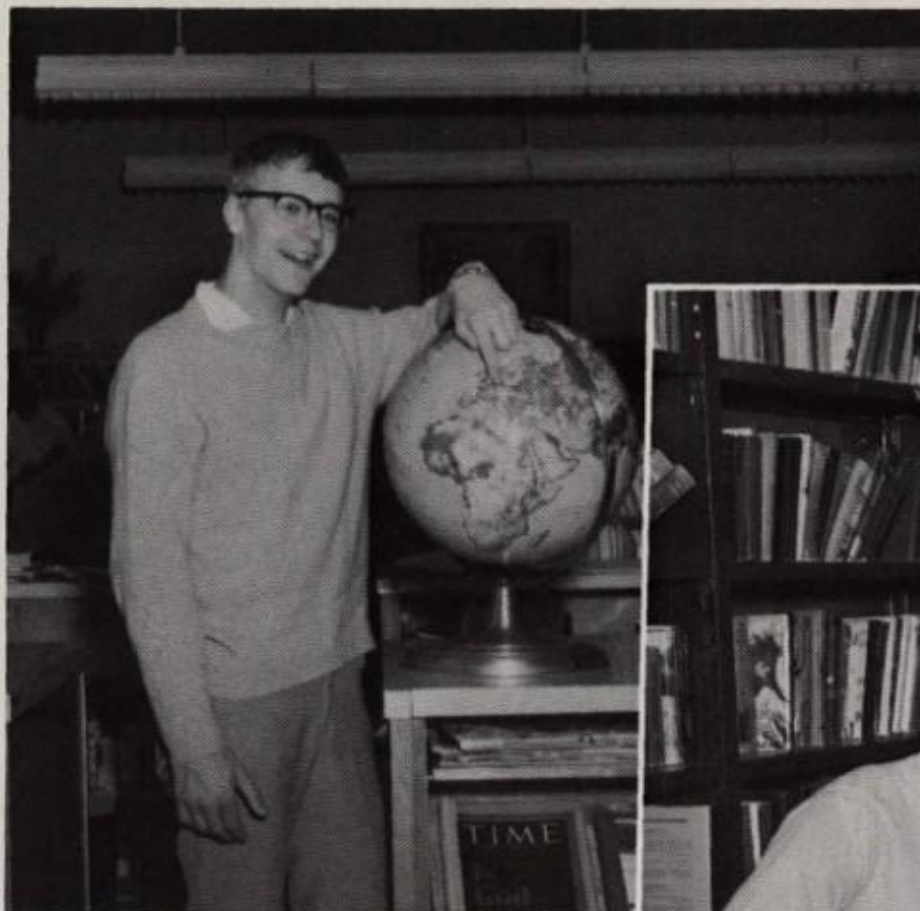

The Tipton High School Girls Recreation Association had its most active year with many special activities and events in addition to the regular intramurals. The GRA started its year with a potluck supper at the park where senior captains were elected. The first team competition was a single elimination soccer-basket tournament. Both singles and doubles tennis tournaments were set up at this time.

On November 5, the West Liberty GRA came over for an afternoon of activities. The groups ate a potluck supper together and had a songfest before going to the football game.

Deck tennis tournaments were played through December and January. The junior GRA members sponsored a caroling party at Christmas time. One of the year's highlights was the slumber party in the gym sponsored by the seniors on January 21.

Basketball tournaments were held during February and March. The month of April included candy sales, a dance sponsored by the sophomores, and the hosting of the District Playday.

The climax of the year was the GRA Banquet held at the Ox-Yoke Inn in the Amana Colonies on May 4. Awards for the year were presented with Patti Jo Conway's team winning the over-all championship. This event was sponsored by the freshmen and put the final touches on a year full of fun and activity.

HANS

Hans-Werner Heinrichs, the sixth AFS student to come to THS, lives with the Dr. Walter Kopsas. Back home in Germany, he lives in the small town of Spremlingen. While in Tipton, he participated in many activities. He was a member of Thespians, MEGAPHONE, Plato Fan Club, Chess Club, AFS Club, and gymnastics. He had roles in "Home Sweet Homicide" and "Carousel". Yet he still found time to maintain a high scholastic average, becoming a member of National Honor Society in April.

We at THS have enjoyed having Hans in Tipton and have learned much about him and his country. He is a nice addition to the Class of 1966.

A F S WEEK

This year, AFS Week sponsored by the AFS-French Club, was held March 28-April 1. The tea, panel discussion, activity party, and brunch were but few of the many events planned. This year's AFS Week was said to be the best yet.

After many long hours of work, the juniors invited the Senior Class and faculty to journey with them to the moon. "Everyone's Gone to the Moon" provided the theme for the banquet that was served by the junior mothers. After a superbly cooked meal, "Al and the Untouchables" provided music for the prom held in the old gym.

One hundred twenty-eight students from fourth through twelfth grade took part in gymnastics this year. The gymnastics team members were very active this year, giving demonstrations and competing in four meets during the year. We did not place anyone at the State Championship Gymnastics meet at Coe and we did not place anyone at the high school boys' state gymnastics meet in Marshalltown. Miss Hunt and Mrs. Cameron have assisted in coaching the gymnasts this year and have helped judge and score meets this year. We are looking forward to a good competitive year for 1966-1967 and especially hope to have more participating and competing at the senior high level.

ATHLETIC BANQUET

The Tipton High School Athletic Department held its annual banquet at the elementary school, April 11. Head football coach at UI, Ray Nagel, was the speaker.

SENIOR CLASS TRIP

On May 20, the Class of 1966 left the city park at 4:30 a.m. for Chicago. Arriving in the fair city at 9:00, we took a tour of the Ford Motor Company. Sack lunches were eaten by Lake Michigan after which the two busses went to the Museum of Science and Industry and the Chicago Police Station.

In the late afternoon, we were given a tour of the city. Many of the sights seen were Maxwell and Madison Streets, Chinatown, Lakeshore Drive, and the Chicago Loop. The evening meal was eaten at the O'Hare Oasis after which we went to the huge O'Hare Field. It was a tired, but happy group of seniors who pulled into Tipton at 2:00 a.m., Saturday, May 21.

THANKS

May 27, 1966

Dear Students and Teachers,

As a year filled with many memories draws to an end, I think it is only fitting to show my appreciation to a great '66 TIGER Staff and to the teachers for the co-operation they have showed us. Without everyone's efforts, our job could not have been done.

As usual, there are many people behind the scenes who never get credit for the long hours of work they put in. Such is the case with many members of my staff. Deadlines would not have been met if Ellen Wehde hadn't taken extra pages home to work on or Mr. Clark from the Tipton Newspapers hadn't come to school whenever we called to take a picture or two. Many thanks also to the faithful members of the staff who came whenever a meeting was called.

To all of the Tipton businessmen, we owe our thanks, for without their backing the '66 TIGER would not have existed. Also many thanks to Jeanne Dodds and Patti Jo Conway and their advertising staff for coming through with pages when the going was a little doubtful.

A very, very special thanks goes to our sponsor, Miss Wittmer, who, new like the rest of us, learned fast and sometimes the hard way. Without her patience and understanding, my job would have been extremely difficult.

With these words of thanks and those to the people who have helped in the many small ways too numerous to mention, I give up my editorship to Sally Schnack and Sue Roberts who will have the job in '66-'67.

Good luck!

Janet Heick, Editor

World News—1965

1 Humanitarian Dies—Dr. Albert Schweitzer died in September at Lambarene, his primitive hospital at the African jungle outpost of Gabon. The famed physician, who reached his 90th birthday in January, worked most of his life to relieve the suffering of jungle natives.

2 Queen Speaks—Queen Elizabeth II dedicated the John F. Kennedy memorial at Runnymede, England on May 14. Mrs. Kennedy is seated to the left and Prince Philip to the right of the queen. Carolyn Kennedy is seated between the queen and her mother, and Sen. Robert Kennedy stands behind Mrs. Kennedy.

3 Miss Universe—The reigning queen of beauty in the universe during the year was a representative from Thailand.

4 Bosch Returns—Former Dominican Republic President Juan Bosch was vehement in his address at a rally September 25, shortly after his return to Santo Domingo.

5 Wins in Run-Off—Charles deGaulle polled 55.2 per cent of the vote in a run-off election against Francois Mitterrand on December 19. The vote gave DeGaulle the French presidency for another 7 years, but the strength of the Socialist-Communist candidate corroded the popularity of the 71-year-old president.

6 Agrees to Cease-Fire—Pakistani Foreign Minister Zulfikar Bhutto (right) agreed in the U.N. Security Council on September 22 to accept the Council's cease-fire order in the undeclared war between Pakistan and India. Pakistan's announcement came after India had agreed to the order.

7 Abortive Coup Fails—Indonesian President Sukarno was toppled from power for a brief 20 hours last fall. He gestured at a cabinet

meeting on October 6 during his first public appearance after the coup, which seriously shook his one-man rule.

8 Soviet Winner—Russian author Mikhail Sholokhov was vacationing in the Ural region on October 18 when he heard he had been awarded the 1965 Nobel Prize for Literature. The December award ceremony was held in Stockholm.

9 Return to Desolation—Hundreds of families returned to the wreckage of their homes, destroyed by eruption of Taal volcano, south of Manila, on September 28. Volcanic ash covered a six-mile-square area. The death toll was estimated at 500.

10 Price of War—The number of casualties increased as the U.S. stepped up its military action in Vietnam. American advisors took part in many helicopter missions, carrying wounded soldiers, both Vietnamese and American, to copters on makeshift litters for evacuation to Saigon.

11 Reason to Celebrate—Chancellor Ludwig Erhard of West Germany waved to a cheering crowd in Bonn after his Christian Democrats surged to victory in the September 19 parliamentary elections. Mayor Willy Brandt's Social Democrats suffered defeat in the voting.

12 Colonial Rule Shaken—Rhodesian Premier Ian Smith broadcast a proclamation of sovereign independence for Rhodesia on November 11. The split from Britain was made in an attempt to insure a white minority rule of the African colony. It was the first such move against Britain since the American colonies broke away in 1776. Britain retaliated swiftly and took the problem to the U.N. Security Council, which asked all nations to enforce an oil embargo against the African colony.
